

Whether you're headed to Santa's workshop, grandma's house, or even just the store – it is important to make sure your vehicle is running its best for the wintery trek! Need some Christmas spirit for your journey? Checkout our Tuffy Tunes Christmas playlist on Spotify – **CLICK HERE.**

With Covid still looming the Holidays may seem gloomy this year. Don't fret, we have compiled a list of 7 fun holiday activities that can easily meet social distancing standards!

1) **Drive through neighborhoods that are decorated for Christmas**

A beloved tradition by many. Hop into the car, throw on some Christmas tunes, and admire the work your neighbors have put into their decorative displays!

2) **Drop off cookies for friends & neighbors**

This is a great way to show people that you are thinking about them. Even if you just drop the cookies off on the porch, it is sure to bring a smile to their face.

3) **Build a snowman**

If it's looking like you're going to have a white Christmas, building a snowman is a classic winter activity that can be fun for the whole family – especially if there's hot chocolate!

4) **Make paper snowflakes**

For our southern friends, this is a fun alternative for snow-related activities.

5) **Mail out Christmas cards**

This year is the perfect reason to make Christmas cards popular again!

6) **Decorate a gingerbread house**

Raise the stakes by making it a family-wide competition!

7) **Have a movie marathon**

Winter is the perfect excuse to spend an entire evening cuddled up watching movies.

We hope this gives you some inspiration to help make this season joyful. It has been a strange year, but that's nothing a little Christmas cheer can't help! Wishing you & your loved ones the happiest of Holidays this year. Merry Christmas from Tuffy Tire & Auto Service Centers.
